Application for Graduate Admission
Supplementary Application – Architecture and Real Estate Development (ARDV)

Please upload the response to the questions below to the Uploads Requirement section (under Supplementary Application) of the online application.

Please respond to the following questions.

1. What are your reasons for undertaking graduate study at the University of Maryland? You may wish to discuss past work in your real estate development or allied fields, your plans for a professional career in real estate, or how you developed your interest in or knowledge of Real Estate Development.

2. What are your reasons for undertaking graduate study in Architecture at the University of Maryland? You should share your specific areas scholarly, creative, and professional interests as they relate to the Master’s program in architecture. You may wish to discuss how your life, educational, and professional experiences have prepared you for graduate education in architecture. If you are an applicant to the Master of Science in Architecture program, you should describe your intended course of study and post-professional degree objectives.
