Please upload the response to the questions below to the Uploads Requirement section (Supplementary Application) of the online application.

Please respond to the following questions:
1. What interface do you regularly use that you like or you really do not like? Answers to this question must include a visual representation and a text description explaining the reason behind your selection, totaling no more than 5 pages. The essay should demonstrate your interest and knowledge of human-computer interaction ideas. Please attach the essay to this form and upload the resulting document to the online application.
2. Please address how the HCIM will support your educational and career goals. Please attach the essay to this form and upload the resulting document to the online application.
