Please upload the response to the questions below to the Uploads Requirement section (Supplementary Application) of the online application.

Please respond to the following question:

Application Essay (required): In 1,000 words, please analyze an interface you use regularly, considering its affordances, limitations, challenges, and benefits. You may choose to evaluate a physical interface (i.e., a technological device) or a virtual one (i.e., an application, a website, etc.). Your response should include at least one visual representation (for instance, screenshots or sketches) and a written explanation of the reasoning behind your selection.
