Are you native speaker of English? OR
Are you an individual with Aphasia?

- We are recruiting monolingual native English speakers for a study on language processing in bilinguals
- Participants may be
  - healthy adults (no neurological illness; 18 years+) or
  - have suffered a stroke and subsequent difficulty with speaking (aphasia)
- Total participation time is 2-4 hours
- Upon completion you will be compensated $10 (healthy adults) or $20 (persons with aphasia)
